- T** Trailhead Sign - Used to identify trail starting points
- U** Urban route Directional - Provides route navigation for vehicular traffic
- V** Vehicular Directional - Provides route navigation for vehicular traffic
- W** Warning - Provides information about changes

### Sign Type Numbering System

The Fall Line Trail Wayfinding utilizes a labeling system that represents a device's function, form and an individualized item number. Each sign is assigned a unique number derived from this system and is used in the Message Schedule and Sign Location Plan. The colors displayed above are used in the Sign Location Plan to aid in quick identification.
